AIA EPC Scholarship

Students wanted! Send us your application today!

Eligible students must have completed at least one year at an accredited undergraduate program, or be pursuing a graduate degree at an accredited architecture school. More information regarding the scholarship, including downloadable applications is available on our chapter website.

AIA Cosponsors Solar Decathlon Oct. 8–18

AIA events include three panel presentations

Summary: The U.S. Department of Energy will host the fourth Solar Decathlon October 8–18 on the National Mall in Washington, D.C. Twenty teams of university students from around the world compete to design, construct, and monitor energy-efficient solar powered homes, and the general public is invited to tour cutting edge green residential design; more than 100,000 have visited each of the preceding three events. The AIA has been proud to be a supporting sponsor of the Solar Decathlon from the very first one in 2002. On October 9, 15, and 16 respectively, the Institute will hold panels in association with the event on Green Jobs, the COTE Top 10, and Net-Zero Energy Buildings.
