Program Description:

As part of its commitment to green and sustainable safety concepts, the Code Council is excited to develop a new set of green codes under the multi-year initiative called "IGCC: Safe and Sustainable by the Book." This initiative will include collaboration from the Council's closest allies and pre-eminent thought leaders in green building, as well as outreach and feedback from our members and the general public. We are committed to developing an effective and efficient code that will continue our long tradition of international code guidance.

Maureen Guttman, AIA, of the Governor's Green Government Council, is a member of the drafting committee and will outline the proposed code and its integration into the design process.

Time:

6:00 pm Happy Hour

6:30 pm Dinner and Presentation

Dinner:

Choice of:

- Chateau Steak with red wine sauce,
